

**SONIC® Drive-In brings the fire with new lineup of Mocktail Slushes**

OKLAHOMA CITY (July 1, 2019) – [SONIC® Drive-In](#) turns up the heat and brings vacation vibes with its new trio of Mocktail Slushes. Offering paradise in a cup, the new Mocktail Slushes come in three irresistible flavors – Strawberry Daiquiri, Piña Colada, and Reaper Spicy Margarita – all available for half-price every day from 2-4 p.m. during Happy Hour.\*

The star of the show is the Reaper Spicy Margarita. This classic margarita flavor, infused with the flavor of one of the world's hottest chili peppers – the Carolina Reaper – in icy, Slush form, will test even the highest of heat tolerances. The Carolina Reaper peppers promise to really spice things up so those who are sensitive to spice should keep water close.

To cool things off, the Strawberry Daiquiri is a refreshing combination of real strawberries and sweet coconut flavor, while the Piña Colada is a tropical blend of sweet coconut flavor and pineapple flavor, each blended into an icy, cold SONIC Slush.

“With Mocktail Slushes, we captured that summertime mocktail state of mind, combining tropical flavors with our icy, cold Slush so you can enjoy vacation vibes from the comfort
