

SONIC® Drive-In upgrades a classic sandwich with new creamy basil aioli to create Summertime BLTs

OKLAHOMA CITY (June 28, 2019) – Adding a fresh twist to one of America’s favorite sandwiches, [SONIC® Drive-In](#) introduces its new Summertime BLTs with creamy basil aioli. Starting at just \$3.99*, the Summertime BLTs offer the upgraded classic in two delicious options: The Summertime BLT and the Summertime Chicken BLT.

Topped with SONIC’s new creamy basil aioli, the Summertime BLT is gloriously stacked with crispy bacon, melty mozzarella cheese, hand-cut tomatoes, and crisp lettuce on a bakery-soft brioche bun. The Summertime Chicken BLT adds a lightly seasoned 100-percent all-white meat crispy chicken breast to the mix.

“By adding melty mozzarella cheese and creamy basil aioli to a sandwich where crispy bacon is the star, we’re creating a delicious symphony of flavors that’s perfect for the season,” said Scott Uehlein, vice president of product innovation and development for SONIC. “Try the Summertime BLT for an elevated version of the sandwich you know and love, or order the Summertime Chicken BLT to take it to a brand new level.”
