

SONIC® Drive-In brings back the classic Patty Melt on Texas Toast

OKLAHOMA CITY (Nov. 1, 2019) – [SONIC® Drive-In](#) is bringing back the cheeseburger’s meltier alter ego, the classic Patty Melt, for a limited time. At just \$3.99, SONIC’s Patty Melt starts with thick slices of Texas Toast, buttered and toasted to perfection, layered with a quarter-pound 100-percent pure beef patty, grilled onions, and two slices of American Cheese, all finished off with mayo and mustard.*

“A perfectly toasted Patty Melt, full of savory flavors from the beef mixed with the sweetness of grilled onions and meltiness of American Cheese is hard to beat,” said Scott Uehlein, vice president of product innovation and development for SONIC. “The two thick slices of Texas Toast soak up all those wonderful flavors to give guests a special sandwich experience they’ll crave over and over.”

Available at select locations now, the Patty Melt will be in drive-ins nationally starting November 4 for a limited time.

Guests can customize every order and Order Ahead to be first in line, every time with the SONIC app, available for download at the Apple App Store and Google Play Store.

*Tax not included. See menu for details. Weights are approximate and precooked. For a limited time only at participating SONIC® Drive-Ins.
