

SONIC® Drive-In *cheeses* the day with new on-the-go comfort food: Chili Cheese and Bacon Mac & Cheese Bites

OKLAHOMA CITY (Nov. 4, 2019) – [SONIC® Drive-In](#) knows that sweet dreams are made of *cheese*, especially on a cold winter’s day, so today SONIC launched the all-new, portable Chili Cheese Bites and Bacon Mac & Cheese Bites – snacks so cheesy, easy, delicious and hearty, they are truly *legendairy* ways to add much-needed warmth and coziness to the season.

The hot and crispy Chili Cheese Bites are a bite-sized version of SONIC’s signature chili with melty cheese in a crispy corn chip coating. The Bacon Mac & Cheese Bites are made with creamy macaroni and cheese blended with savory bacon pieces and coated in a light, crispy batter.

“The combinations of warm melty cheese with hearty chili or savory bacon and tender macaroni are two of the best things since *sliced cheese*,” said Scott Uehlein, vice president of product innovation and development for SONIC, a.k.a., the Head Nacho. “The holidays are right around the corner, and these bite-size snacks deliver the beloved, comforting flavors of the season on-the-go to put our guests’ hunger at *cheese*, during this hectic season.”

If guests play their *curds* right, they can enjoy both *grate* options starting at \$1.99 while supplies last.* Guests can also Order Ahead to be first in line, every time with the SONIC app, available for download at the Apple App Store and Google Play Store.

*Tax not included. See menu for details. For a limited time only at participating SONIC® Drive-Ins.
