

SONIC whisks up Brownie Batter and Yellow Cake Batter Shakes straight from the mixing bowl

OKLAHOMA CITY (May 29, 2020) – [SONIC® Drive-In](#) kicks off the summer with two indulgent Shake flavors – the all new Brownie Batter Shake and the return of last year’s fan-favorite, Yellow Cake Batter Shake.

The new Brownie Batter Shake is hand-mixed with SONIC’s 100% Real, vanilla Ice Cream with a rich, chocolate brownie batter and the Yellow Cake Batter Shake brings decadent, yellow cake batter to life in a delicious ice cream treat. With two options to choose from, the Cake Batter Shakes hit the spot, every time.

“We’ve captured the fun and thrill of baking with family into two creamy, sippable versions every dessert lover will find irresistible,” said Scott Uehlein, vice president of product innovation and development for SONIC. “Even though everyone has been at home baking for the past couple of months, our Brownie Batter and Yellow Cake Batter Shakes can only be found at SONIC. They’re here just in time to cool off on those hot summer days and nights.”

The Brownie Batter and Yellow Cake Batter Shakes are only available at SONIC for a limited time until August 2.

Enjoy SONIC from the comfort of your car and use the [SONIC app](#) for contactless ordering and payment.* While waiting for orders, guests can also try the new augmented reality filters from SONIC featuring the two new Shakes on Instagram Story.
