

SONIC celebrates summer with triple-layered Lemonberry Slush Float
The eye-catching treat delivers a medley of summer favorites all in one cup

OKLAHOMA CITY (July 8, 2020) – [SONIC® Drive-In](#) captures the carefree feeling of summer in a new treat with three layers of refreshing flavors: the Lemonberry Slush Float.

Transforming the car, or any place, into a summertime paradise, the icy-cold Lemonberry Slush Float starts with a layer of Frozen Lemonade Slush, stacked with SONIC's creamy 100% Real Ice Cream in the center, and topped with real fruit strawberries.

"When you think about summer, you reminisce the tastes of ripened strawberries, tart lemonade and cold, creamy ice cream," said Scott Uehlein, vice president of product innovation and development for SONIC. "The Lemonberry Slush Float embodies all three iconic summer flavors, providing guests with a sip and spoonful of sunshine in a cup and a little moment to celebrate everyone's favorite season."

Just \$2.99* for a Medium, the Lemonberry Slush Float is available at SONIC now through Aug. 2.
