

Coffee meets ice cream in SONIC's new Espresso Shakes
SONIC's latest treat delivers a caffeine boost perfect for any time of day

OKLAHOMA CITY (Nov. 2, 2020) – [SONIC® Drive-In](#) adds a new, limited time only Shake duo to its lineup of sippable desserts with the new Espresso Shakes.

Available in two flavors, the Original Espresso Shake* blends a bold, double shot of espresso with SONIC's creamy, 100% Real vanilla Ice Cream, and the OREO® Espresso Shake* includes OREO® cookie pieces to the mix for a flavorful twist.

"The Espresso Shakes feature a smooth and energizing balance as two different flavors collide. Our guests can really taste the bold, java flavor in the double shot of espresso and the sweet and creamy flavor of the ice cream," said Scott Uehlein, vice president of product innovation and development for SONIC. "This is the perfect pairing in the moments that our guests are in search of that irresistible pick-me-up in their day."

The Espresso Shakes are available at SONIC only for a limited time. Guests can place an order [online](#) on the SONIC website or in the [SONIC App**](#) for contactless payment and ordering.

**Medium Espresso Shake contains approx. 112 mg of caffeine.*

***Mobile ordering available only at select locations.*

OREO is a trademark of Mondelēz International group, used under license
